Did You Know:

For those who were not taught history...

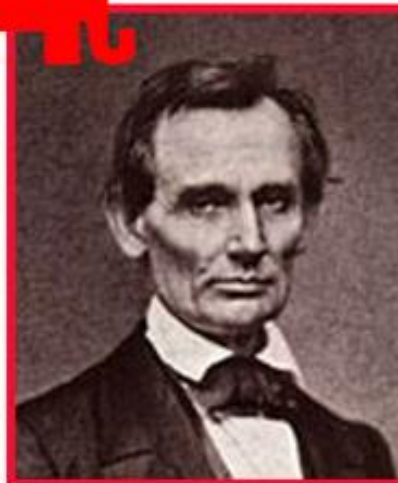

ON THIS DAY ... March 20, 1854...

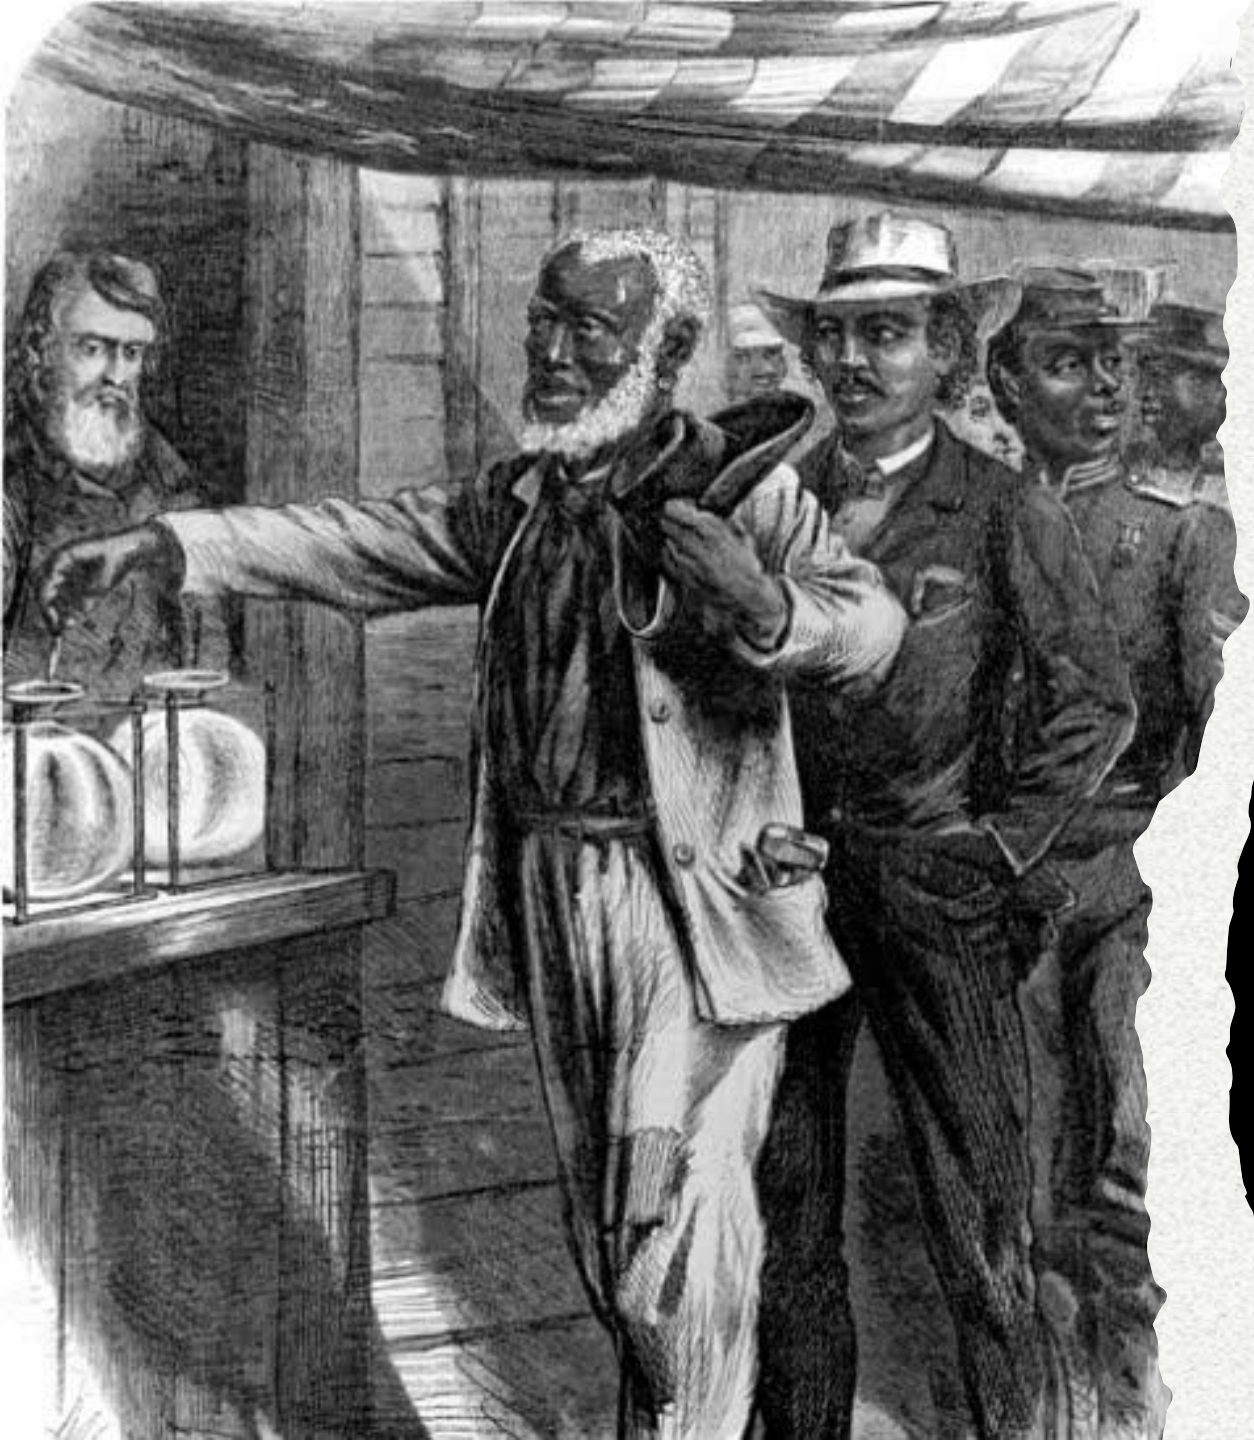

The REPUBLICAN Party of the United States of America was founded in a schoolhouse in Ripon, Wisconsin. PURPOSE: To counter the Democrats' plans to expand slavery in America.

EVERY American should REMEMBER this important bit of American history on election day!

In 1854, the **REPUBLICAN Party** was founded by **ANTI-SLAVERY Americans** who opposed the **PRO-SLAVERY DEMOCRATIC Party** and were tired of putting up with the weasley-on-slavery, "Let's All Get Along" opposition **WHIG Party**.

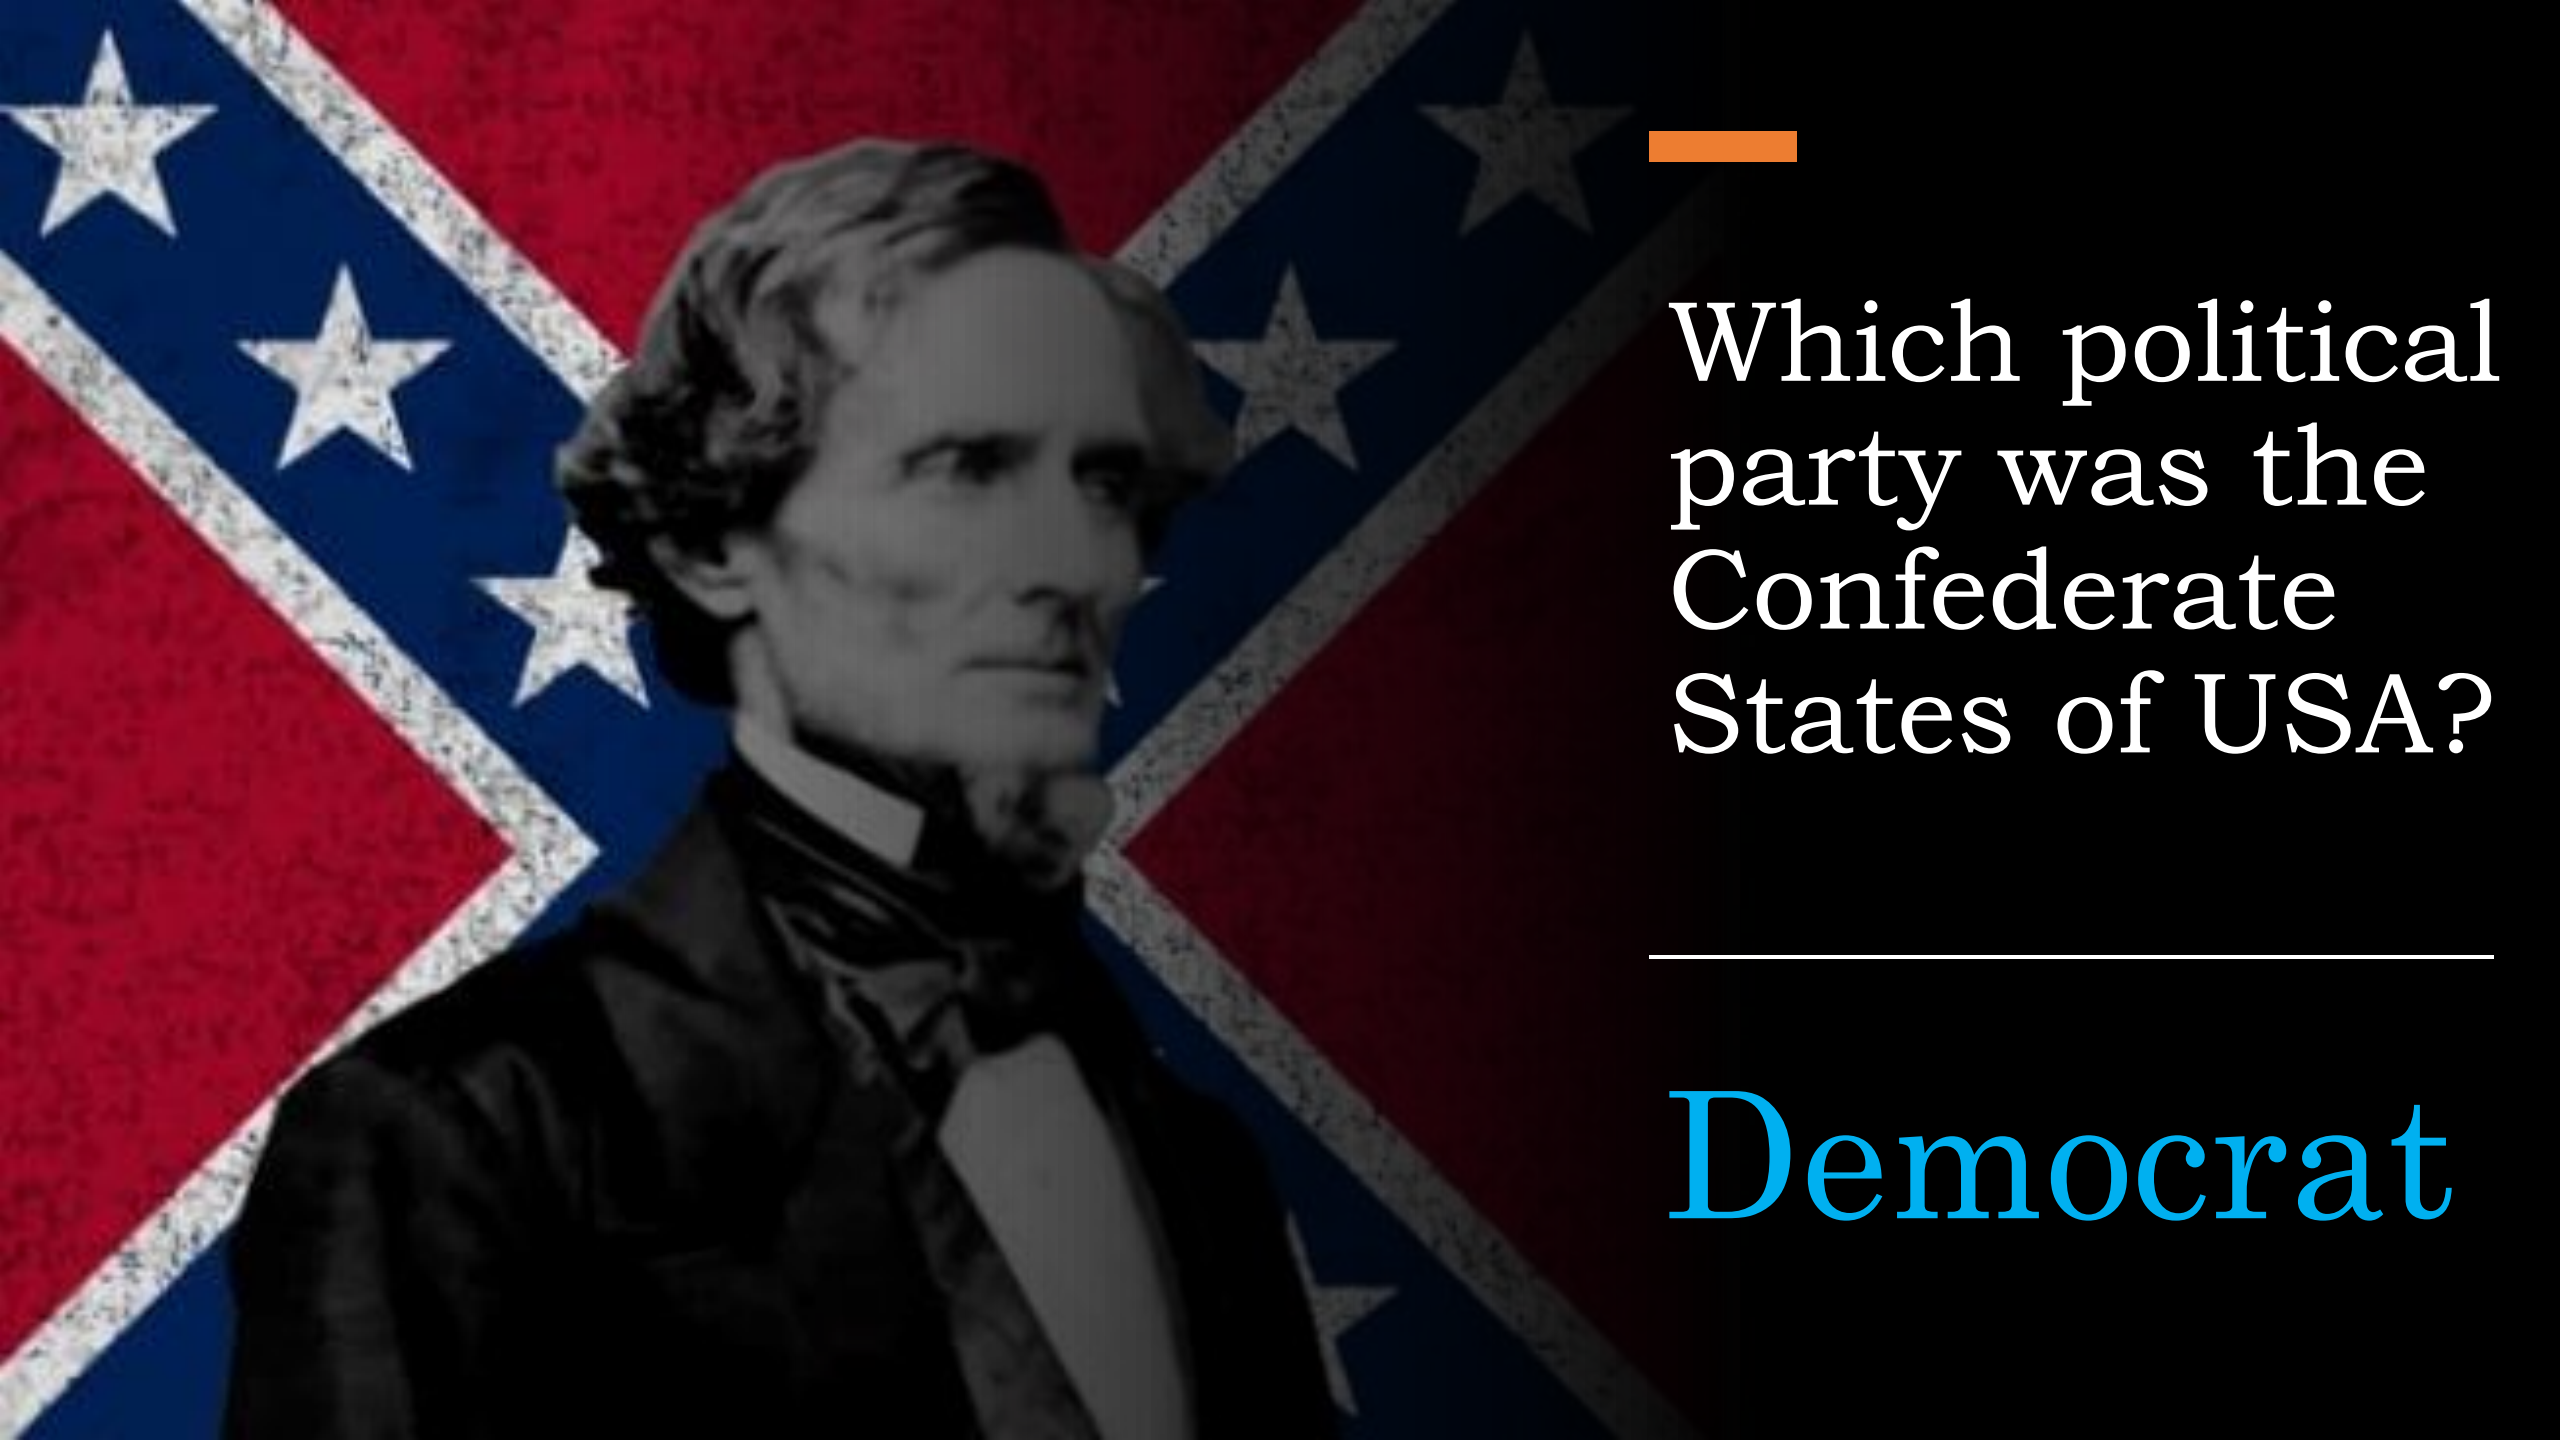

Between the day our first ever **REPUBLICAN President** was elected and the day he was inaugurated into office, **SEVEN Democrat-majority SLAVE STATES** seceded from the union rather than accept **ABRAHAM LINCOLN** as their new President.

Which political party gave the African-American the right to vote?

Republican

Which political party was the Confederate States of USA?

Democrat

BECAUSE:

- Jefferson F. Davis (June 3, 1808 – December 6, 1889) was an American politician who served as the first and only president of the Confederate States from 1861 to 1865. He represented Mississippi in the United States Senate and the House of Representatives as a member of the Democratic Party before the American Civil War.
- James Chesnut, a South Carolina Democrat, became the first senator to resign his Senate seat and declare his support for the Confederacy.
- In the United States, on the other hand, the Republican Party governed effectively, fought off Democratic challenges, passed landmark legislation, ended slavery

Which political party always supported the Free Trade, ever since Andrew Jackson?

Democrat

Which politics
party was involved
on planning
assassination

JFK?

Democratic

Because, after six decades, very high percentage of American still believe Oswald was not acted alone who assassination JFK. Based on the conspiracy theories, many people had been pointing the finger at CIA, Lyndon B. Johnson, someone from KGB agent, and **George W.H. Bush was even also possible involved as well**. Yet, LBJ along with the CIA seem to be the target.

Example: Jacqueline Kennedy-Onassis believed Vice President LBJ was behind the assassination of her husband, according to tapes recorded by the former first lady just months after President John F. Kennedy's death. Discussed with businessmen in the South, planned the Nov. 22, 1963, assassination of her husband in Dallas, Texas. - Daily Mail reports.

Other theory is because of the Warren Commission. Warren Commission was created by LBJ, and people believe he created it to cover up his and other members crime, and other scandals he was involved in By 1973 Barry Goldwater privately telling people that he was convinced that LBJ was behind the JFK assassination.

This is why Democratic is the main reason to blame, even so other party were involved as well.

N.W. BUSH

AFFIDAVIT OF GEORGE WILLIAM BUSH

I, George William Bush, a resident of Alexandria,
Virginia do hereby state under oath as follows:

1. My name is GEORGE WILLIAM BUSH. I reside in Alexandria, Virginia.
2. From September 1963 until February 1964 I worked at the CENTRAL INTELLIGENCE AGENCY headquarters. My job responsibility was as a junior watch officer.
3. As a junior watch officer I was part of a team of three or four persons on watch on any particular shift. I was the junior person on duty at the time of the John F. Kennedy assassination.
4. I have carefully reviewed the FBI memorandum to the Director, Bureau of Intelligence and Research, Department of State dated November 29, 1963 which mentions a Mr. George Bush of the Central Intelligence Agency (attached hereto as Exhibit 1.) I do not recognize the contents of the memorandum as information furnished to me orally or otherwise during the time I was at the CIA. In fact, during my time at

Which political party
paid the fund to the
Wuhan, China
laboratory before the
COVID-19 spread?

Democrat

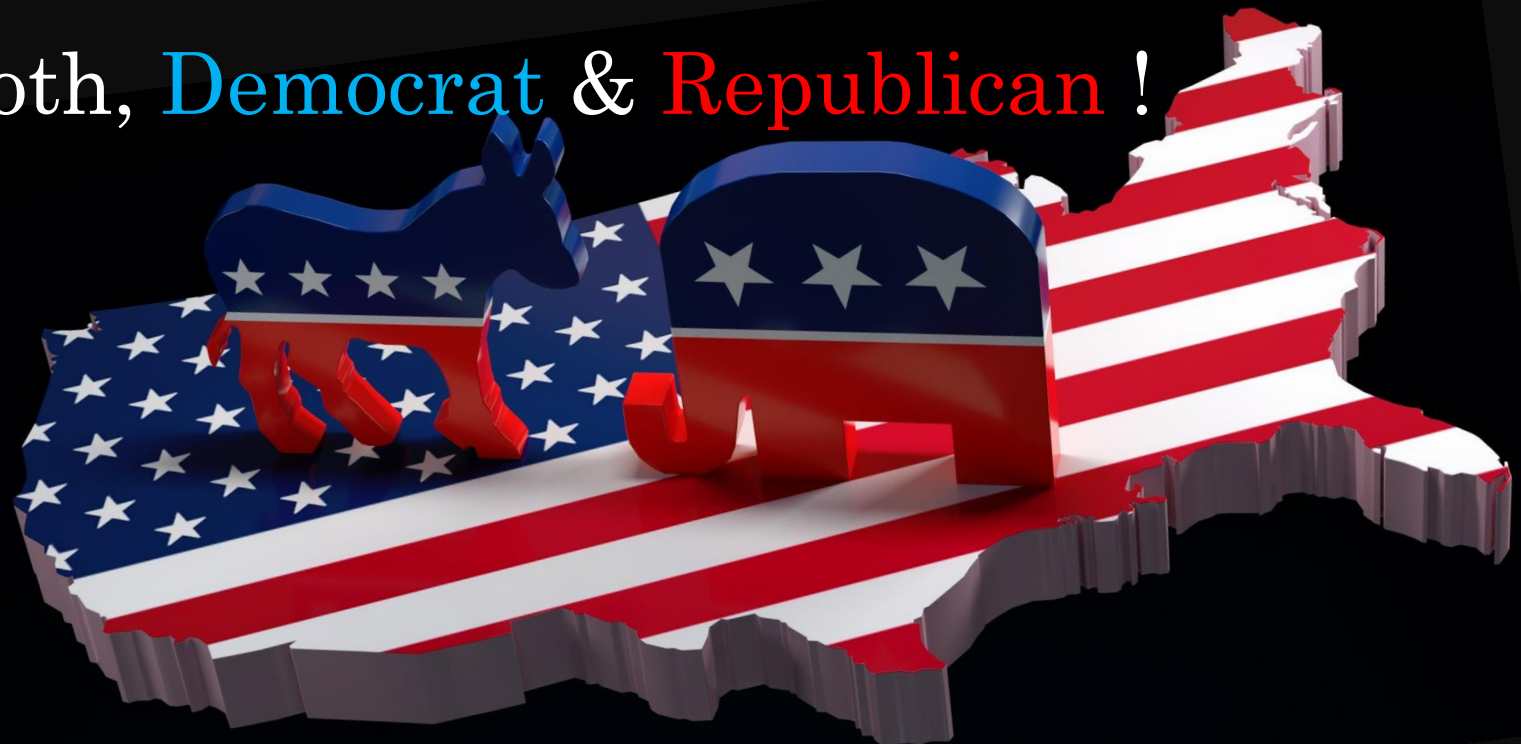

Reason is:

- During Obama administration, Obama approved \$3.7 million grant to EcoHealth Alliance, the money to the Wuhan lab for bat coronavirus research etc... One of the US Congressman Matt Gaetz said: 'I'm disgusted to learn that for years the US government has been funding dangerous and cruel animal experiments at the Wuhan Institute, which may have contributed to the global spread of coronavirus, and research at other labs in China that have virtually no oversight from US authorities.'
- Former U.S. Chief Medical Advisor, Dr. Anthony Fauci was involved with the Wuhan lab. After short working during the Trump's administration, Dr. Fauci had been working with the Democratic Party the whole COVID-19 pandemic years. Democrat and Dr. Fauci had been lying about COVID-19 etc...
- Bill Gates was also involved with China Wuhan lab. Based on his donations and statements, it seems that he support the Democratic Party more than the Republican Party. Gates has donated more money to Democratic candidates and causes than to Republican ones in recent years. For example, in the 2020 election cycle, he gave \$250,000 to the Biden Victory Fund, a joint fundraising committee for Joe Biden and the Democratic National Committee, and \$106,500 to the Democratic Congressional Campaign Committee. He also gave \$100,000 to a political action committee supporting Washington Governor Jay Inslee's presidential bid. - (thefreemanonline.org).

The whole reality in our U.S. government, are the **Democratic** party responsible for ALL the blame?

Are the **Democrat** the only party who corruption our country?

NO!... It's both, **Democrat** & **Republican** !

A dimly lit classroom scene. In the foreground, several students are seated at desks, their backs to the camera. In the middle ground, a teacher is standing and interacting with a group of students. The background features a bulletin board with various papers and a whiteboard with handwritten notes. The overall atmosphere is that of a typical classroom setting.

Because we **ALSO** know our former President George W. Bush (**R**) is behind the twin towers attack planned on 9/11 2001.

More and more American are finally able to see why this 1969 moon landing was a HOAX the whole time.

...And all those years, both, the Democrat and Republican allow taxes dollar go waste from citizens for NASA company to put \$\$\$ in their pocket???

Who came up with the idea of the United Nations (UN) & North Atlantic Treaty Organization (NATO)?

President Franklin D. Roosevelt (**D**) met with Soviet Premier Joseph Stalin in Tehran, Iran, in November 1943, he proposed an international organization comprising an assembly idea of all member states and a 10-member executive committee to discuss social and economic issues.

In May of 1948, **Republican** Senator Arthur H. Vandenburg proposed an idea of resolution suggestion that the President should seek a security treaty with the Western Europe that would adhere to the United Nations charter but exist outside of the Security Council where the Soviet Union held veto power.

So, you can see why it's both who are to be blame, the Democrat & Republican. Our U.S. government are responsible for the corruption of America.

The nation of America have change over time and is NO longer a ONE nation. Because we are now under this one world government control, under the UN's & NATO's world power.

The answer to the main question earlier is NONE. None of the government parties had built the nation prosperous.

This is the reasonable historical facts why Bro. Pouliot refused to vote or get in involved in the politician stuff. Some people like me would rather followship and serves under *၃၄၃၃*'s government control. Who is the only ONE who can bring peace upon nation.
