

Did 𐤃𐤀 Created the Sin of Evil?

"How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of 𐤃𐤀: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the Most-High. Yet thou shalt be brought down to hell, to the sides of the pit." - Isaiah 14:12-15

What you just read; the name of Lucifer is not even a name at all. The term "**Lucifer**" originates from the Latin language, which means "**light-bringer**" or "**morning star**." This term was used in the Latin Vulgate translation of the Bible, specifically in Isaiah 14:12, where it describes a figure that has fallen from heaven. That translated book is just a bad version kind of book that confused people. So, the question is, who is this being that ends up falling?

There is one scripture that describes a little more about this being. This being was a pure perfect kerub (cherub) in the garden of Ēden. Before this cherub (also known as Angel) became the fallen cherub adversary. If we read in the book of Ezekiel chapter 28:12-16, there is a story about a Prince of Tyre and a king of Tyre but this king of Tyre was the one behind the prince. He has an adversary evil spirit in him. In that chapter, it said that the son of man takes up a lamentation for the king of Tyre and says to him thus say the Master 𐤃𐤀:

"You were sealing up a pattern, complete in wisdom and perfect in loveliness. "You were in Ēden, the garden of 𐤃𐤀. Every precious stone was your covering: the ruby, topaz and diamond, beryl, shoham and jasper, sapphire, turquoise and emerald and gold. The workmanship of your settings and mountings was prepared for you on the day you were

created. "You were the anointed keru (cherub) that covered. And I placed you, you were on the set-apart mountain of ִשְׂרָאֵל. You walked up and down in the midst of stones of fire. "You were perfect in your ways from the day you were created, until unrighteousness was found in you. "By the greatness of your trade you became filled with violence within and you sinned. So I thrust you from the mountain of ִשְׂרָאֵל and I destroyed you, O covering kerub, from the midst of the stones of fire."

FREEDOM OF CHOICE / FREE WILL

There are two portions in those scriptures passages above that explain how this cherub became an adversary. Before adversary, this being was a created perfect cherub until iniquity was found in him. After reading and researching all this, we will be able to notice ִשְׂרָאֵל did not create him to become an evil one. Since ִשְׂרָאֵל is a merciful one, loving one and HE also gives people the freedom of choice. Meaning HE is no puppet master to control anyone's life. This being can choose, just as we do too. Because without the freedom of choice, we would simply become like a robot or puppet. We would be meaningless creatures. If ִשְׂרָאֵל had created us without the capacity to choose then what value of LOVE would it mean to us? Example in Deuteronomy 30:15-19:

"See, I have set before you today life and good, death and evil, in that I command you today to love the Master of your ִשְׂרָאֵל, to walk in His ways, and to keep His commandments, His statutes, and His judgments, that you may live and multiply; and ִשְׂרָאֵל, your Almighty Master will bless you in the land which you go to possess."

Again, we have the freedom to choose, there are only two ways. By going to ִשְׂרָאֵל's way, which is the right way instead of going or doing what's wrong or bad way. ִשְׂרָאֵל still want us to go about HIS way instead of wrong, HE still gives us the choice whether we want to or not.

THE VALUE OF LOVE

No wonder why the married couple has something to do with this lesson of LOVE, if a wife or husband were pre-programmed to love, no matter what value would that love be it would be of no value. If he or she has the freedom of choice to exercise that true love, then this is the true love. That is more than the true value of ִשְׂרָאֵל's LOVE, it becomes precious, and it can be nurtured forever and ever. It is valuable to us to have this freedom of choice implies that we can choose the other way. What if a wife or husband made a decision one day to go on his or her way, what freedom of choice would that imply to us? We would have to let it go ourselves because the forces of love would be of no value to us if we put the loved one in a cage. If we batten down or

hear down a person, they cannot move, and we can feed her or him like a bird in the cage but of what value is it can we compel love? Of course, not so when we were created, we were created with this freedom of choice, and we have every opportunity to get to know ٱ's character way. Just as how this adversary one walked amongst the fiery stones, and he was once one of the good covering cherubs. He had no reason to doubt ٱ or integrity of ٱ. This adversary wanted to be like the Most-High who is the Creator ONE and when covetousness took over in him, iniquity (unrighteousness) was found in him. If we break one commandment, we break them all. If we covet the position of ٱ, our Creator ONE, we mean to want to be like the Most High. Then we have broken the first commandment, then we also break all the tenth commandments as well. The Scriptures book says if we break one, we break them all eventually to achieve our aim to desire.

We will lie, cheat, or kill to attain it. This is the reason how and why this adversary alone has turned himself into a falling messenger. This is why ٱ did not create the evil spirit that came from this adversary alone. ٱ did not deal this lightly with the issue he did a very thing wrong. He allowed him to follow his path and ٱ knew after discovering the bad spirit in him that eventually got stuck here on earth. Because ٱ had already made a judgment call on this old adversary one.

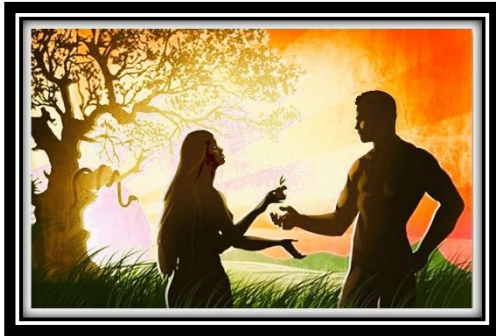

APPEARING OF SIN

Now, if we ask ourselves what is the main reason that caused this adversary to change. That his spirit turned evil against ٱ? Let's look back at the Genesis creation time. The time when man was on earth. Find out what was ٱ's purpose to created us once we find the answer to that question. We will discover and understand why the adversary became jealous for that purpose. How he became envious of us. According to Genesis, ٱ created us in HIS image, after HIS image likeness and HE wanted us, mankind to have dominion over the fish of the sea, and over the fowl of the air, and the cattle, and all the earth, and over every creeping thing that creepiest upon the earth that no angelic ever have this. This is what I have discovered the reason why this adversary discovered to learn of this and became so jealous of it.

When this adversary was just a cherub, a good spirit cherub and he had the highest position in the Garden of Eden which other cherubs did not have. This adversary should have accepted this great position, nothing more. This adversary's position was to watch over the garden in Eden on earth, the blessing to mankind. To be the anointed cherub that covert for ٱ's creation mankind on earth. This adversary got that chance to duty on earth for ٱ, but he wanted something more. He changed after discovering that man ruled the earth. This is why he wants to be like ٱ and to be better than us. This adversary wants to rule the world other than mankind to rule it.

He had made a bad move by the desire to take over the world and rule it. This is where and how his evil spirit went on to use the snake's body and talked to Adam's wife. To ticked her about this one forbidden fruit. To get her and her husband to break the

relationship with Ψ , by their disobedience to Ψ . Rather obeying this snake who was the adversary, the new ruler now they are stuck with. So, this leaves him dominion over the whole world. Since he once already had a job in the Garden of Eden on Earth. Both, man, and this adversary at that time once were given both the highest responsibility on earth. But now, it is only this adversary who took it all. Took man's duty to dominion over the whole world. We mankind became slave under him. Because Adam and HIS wife end up listening to him, instead of Ψ .

No wonder why Ezekiel 28:13-14 describes this adversary who was once an original guardian cherub of Eden not long before he tempts Adam's wife. After he got dark as explained in Isaiah 14:13, the new natural knowledge of sin that appears had entered, like an evil virus. Heaven and earth never had this knowledge of sinful nature before. This is why this special forbidden fruit tree of knowledge of good, and evil appears in the

middle of the Garden of Eden. I, Bro. Pouliot believe Ψ may have quickly planned to put this special forbidden fruit tree of knowledge of good, and evil there for a reason against this adversary. Because HE already saw what he would do in the future against us. HE found a way to save HIS creation children from this adversary one who wants to destroy us. By teaching us what is the law of good and evil, etc...

That why Ψ warn Adam and his wife first about what is right apart wrong, is to teach them not to eat the forbidden fruit tree of knowledge of good and evil. Because Satan wants to destroy us by throwing us to death eternally, but he has NO IDEA how Ψ had already won over HIS people back. At the end of time, HE will gather all HIS creation people who follow HIM and HE will renew the heaven and earth so that there is no more sinful nature on earth. His gatherings of people will live eternally in this new world of heaven and earth.

Please understand this, the moment that this adversary transgressed against Ψ , he lost his cherubic duty power in heaven, this is why Lucifer is stuck here on earth and became an evil chief who became adversary. This means he was already sent here on earth before evil was found in him.

The other thing to know about, this adversary is the only falling one who is stuck here on this earth. In other words, no other spiritual messengers from heaven have fallen but one. Notice how the book of Isaiah 14:12-15 said about this adversary as falling one from heaven, nothing mentions about the other followed him. Similarly for Ezekiel 28:12-17 as well. It describes the fall of a figure often associated with this one adversary with no other following spiritual messengers from heaven. Only the Revelation New Testament book mentions 1/3 of the messengers follow him. Yet, that New Testament Revelation book is a scam, a false message.

The bottom line, Adam knew what he was doing while his wife flattered him to try to eat that forbidden fruit. He ends up eating it because he loves her more than ٱلله. It does not matter if his wife transgresses first, they both have transgression against ٱلله anyway. You as a reader now know that ٱلله, our Creator Father did NOT create EVIL in the first place. Now all of Adam's children had to deal with sin. It is all in Adam and his wife's DNA that carry on. That is why one of their sons has sinned badly because Cain spills Abel's blood on earth. This blood cursed the earth as soon as hit the ground (Genesis 4:11–16). Earth was once without sin; life was perfect. Only the knowledge of GOOD ruled the world once, but right now we are dealing and living in the knowledge of good and evil. Dealing with two great masters on earth, the good and the bad. We cannot do well or have joyful health in our lives with both of those master rulings. Only one of those masters can give us a good life with joyful health forever. Once we find out who does, we must make a wise choice to serve whom, ٱلله or adversary.
