

“You shall not misuse the name of **יְהוָה**, your Supreme Father, because **יְהוָה** will not leave unpunished anyone who misuses HIS name”. - Ex 20:7

יְהוָה ← Use this original pictographs/pictograms name of our Creator ONE, the Supreme Father. Because this may be the well figure written name whom HE wrote HIS name on the two tables stone.

יהוה ← Do NOT use this phonograms writing for the Supreme Father's name, because it's a change upgrade kind of writing which man created.

יהוה ← Do NOT use this so-called Hebrew script name of the Supreme Father. Because it's also a change kind of writing which man created.

YHWH ← Do NOT use this four English alphabet letter for our Supreme Father's name in writing. It's somehow the way we can translate to find out the pronounce name. FYI, YHWH is similar to YHUH.

GOD or **LORD** ← DO NOT use this titles name to call upon our Supreme Father. The title name is NOT HIS personal name. Many translate books have replace HIS name into a lilles name.

Understand that this pronounce full description name YAHUAH (YAH-OO-AH) is how we called upon the Supreme Father's name. Yet, this pronounce sounding name is NOT our own English saying. It's how we read this sounding ancient language which Adam, Shem, Avraham (Abraham), Yisraelite and YahuDah all have spoken the Creator ONE's name. Yet, HIS simple regular pronounce name is YAH (יְהוָה).

Once again, we are to use this → **יְהוָה** or **יְהוָה** pictographs written symbolic name for our Creator ONE's name. Nothing else. And we are to pronounce YAH or YAHUAH (YAH-OO-AH) which is the Supreme Father's name **יְהוָה** (or full description name **יְהוָה**). Nothing else.

This ancient kind of language name of the Supreme Father is NOT a Hebrew, Aramaic, or any other Semitic branch languages. The original language is more of the Adamic language because it's when as first language spoken to Adam by **יְהוָה**. As well Abraham, Isaac, and Jacob all have carry and spoken this **יְהוָה** name.
