

Sacrifice of Peace Offering & Unleavened Bread

How to Know When and Why It Importation

Genesis 15:13

אֵלֹהִים told Ab-Raham (Abraham), ***“Know for certain that your offspring will be sojourners in a land that is not theirs and will be servants there, and they will be afflicted for four hundred years.”***

**Yisraelites
slavery
in Egypt**

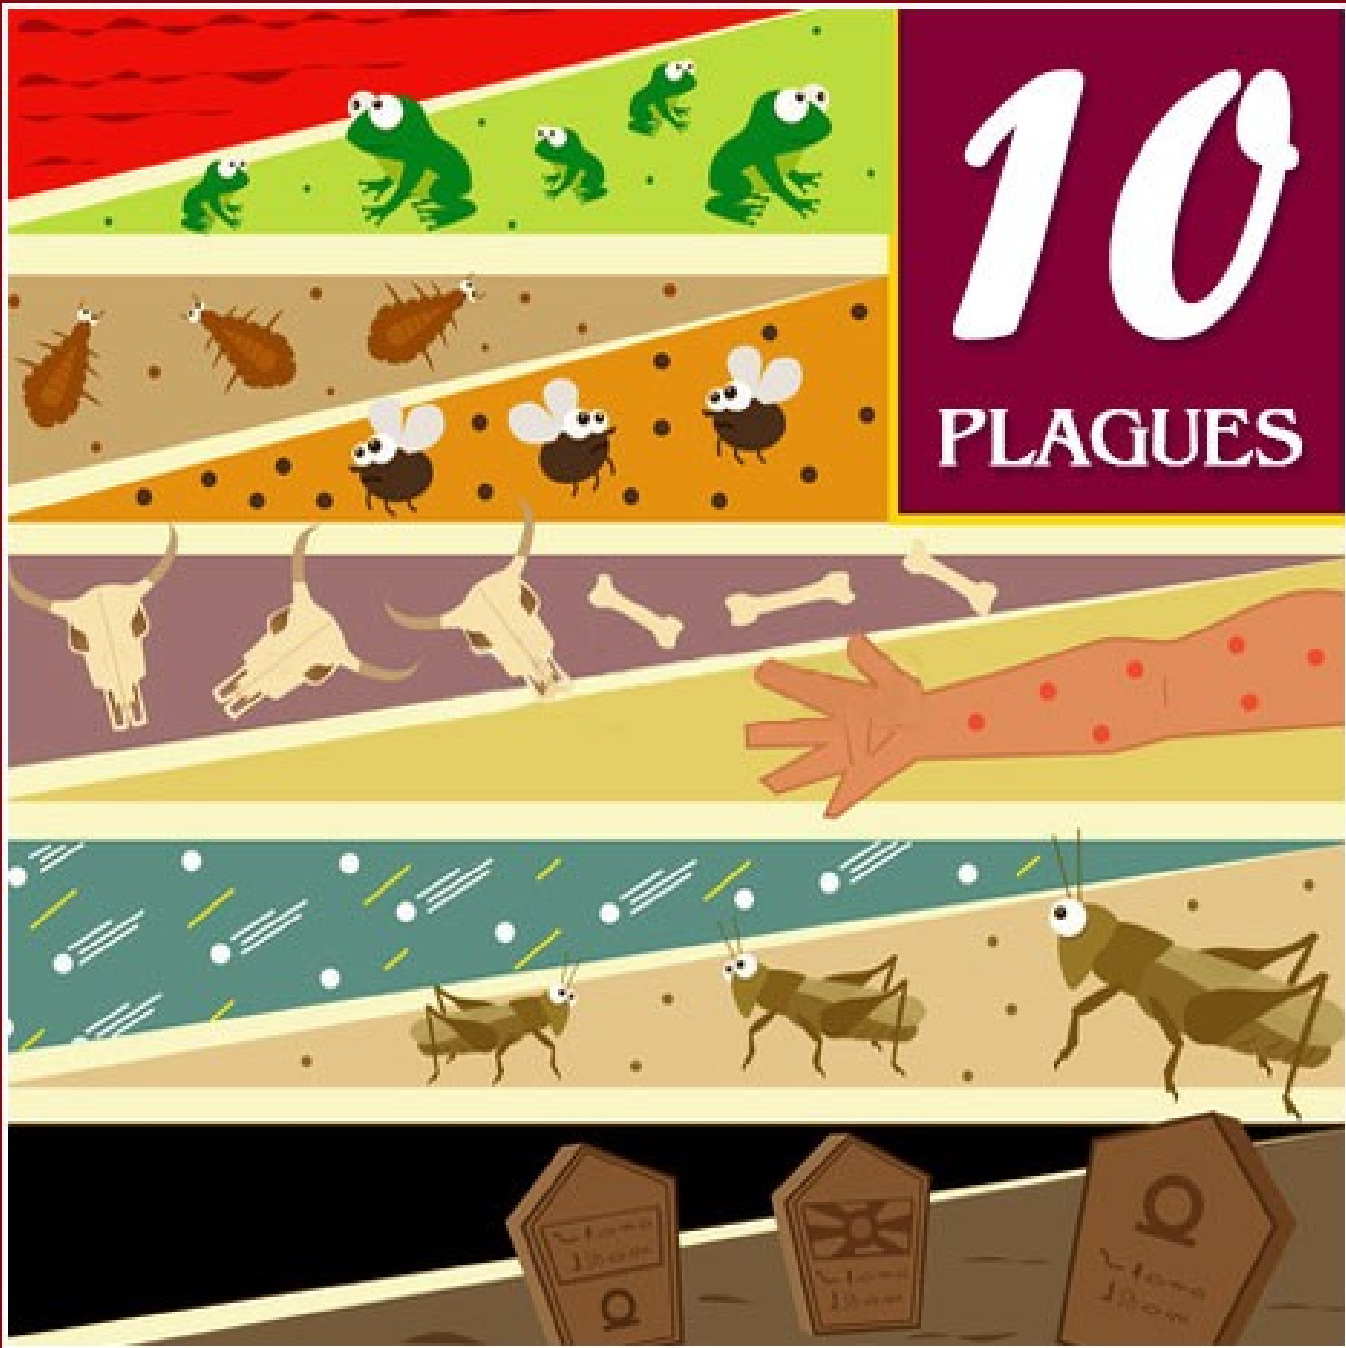

Why were they, the Yisraelites Slave in Egypt?

The Reason is:

Yisraelites continue to break the covenant which **אלהים** had made an agreement with Jacob, Isaac and Abraham that they will have their descendants a great nation in their promise land and have peace of good life. They have broken that agreement and the penalties eventually brought themselves into trouble. Because Yisraelites did not obey, follow, and respect **אלהים**'s commands. This is why Yisraelites first dealt with the famine and then winded-up living in the foreign land (Egypt) and suffer there for more than 400 years. (Gen 47 & Deut 7:12)

אֱלֹהִים chooses Moshe to lead his people out of Egypt after Moshe saw the burning bush that doesn't consume it. אֱלֹהִים told Moshe that he needs to go back to Egypt and deliver HIS people Yisraelites out of there. To go to the land, he had promised to Abraham, Isaac and Jacob.

“For I will go through the land of Egypt on that night and strike down every firstborn, both men and animals, and I will execute judgments against all the gods of Egypt.” - Exodus 12:12

The last plagues were delivered by death on the land of Egypt's firstborn. The Pharaoh finally gave-up and let's the Yisraelites go.

אֲנִי אֶנְיָ gave Moshe the instruction to the Yisraelites what to do on the tenth day of the first month (March/April). That the Yisraelites were to prepared for the certain instruction steps that day. That day at dusk (sundown evening) they were to slaughter a male sheep (or goat) and splash it's some of that blood on their doorposts and lintel of their house (Exodus 12:3-7, 22, 23).

They were also told to have a meal of roasted lamb (or goat) along with unleavened bread and some herbs. After that, $\aleph\aleph\aleph$ went through the land of Egyptian's house and strike down all the first born to death, but obedient only Yisraelites' house. He spared their live because of this sacrifice blood of peace offering on their doorposts.

This Sacrifice of Peace Offering (Kurbanot of Shalom Minhhah Hebrew words) event became a memorial appointed time holiday. A day to honor and give thanks to **אלהים** for all the mighty and marvel things HE have done on that day. **אלהים** also want HIS people not to forget and understand why this had happened. He also wants HIS creation children know where they came from and who is HE. HE also want HIS people remember the Covenant HE made promise with Ab-Raham (Abraham), Yashkaq (Isaac), Ya'aqub (Jacob) and all of their future descendants. The promise land from the river of Kemet (Egypt) to the land of Euphrates. The future promised land, the Land of Israel will be forever be there. These Covenant promise also except HIS children of Yisraelites to fully respect and obey all of **אלהים**'s laws. Otherwise, they will lose that Covenant promise.

PROMISED LAND

—
AN OLD TESTAMENT STUDY

After Moses lead Yisraelites out of Egypt and across the Red Sea, after which they based themselves at Mount Sinai, where Moses received the two commandments' table-stones. Our heavenly Father, the Sovereign ONE also commanded Moses many more other than the main 10th Commandments.

One of these commandments, HE told Moses about the Sabbath and the seven annual appointed times holidays. Yisraelites must remember and preform it.

8 Annual Sabbatical Appointed Days

1. Seventh Day (Shabbat)

2. Day of Gladness – 1st day of the 1st Moon

(New Year)

3. Sacrifice of Peace Offering - Karbanot of Shalom Minhah

4. **Festival of Unleavened Bread** – Chag HaMatzot

5. **Festival of Harvest** – Chag HaKatzir

6. **Day of Trumpets** – Yom Teruah or Rosh Hashanah
1st Day of 1st Moon (month)

7. **Day of Atonement** – Yom Kippur

8. **Festival of Last Gathering Harvest** – Chag HaAsif

3 FESTIVAL TIME a YEAR

Exodus 23:14-17 (NKJV) — *“Three times in the year you shall keep a FESTIVAL to me. You shall keep the FESTIVAL of Unleavened Bread. As I commanded you, you shall eat unleavened bread for seven days at the appointed time in the month of Abib, for in it you came out of Egypt. None shall appear before me empty-handed. You shall keep the FESTIVAL of Harvest, of the first fruits of your labor, of what you sow in the field. You shall keep the FESTIVAL of Ingathering at the end of the year, when you gather in from the field the fruit of your labor. Three times in the year shall all your males appear before YHWH.”*

How to determine
the Sacrifice of Peace Offering
& Festival Unleavened Bread Day?

Leviticus 23:5-8

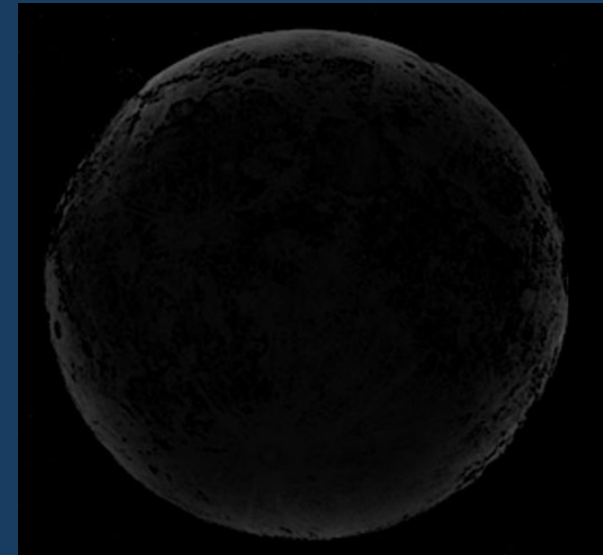

*“אֶתֶּן’s Sacrifice of Peace Offering day begins at dusk; on the **fourteenth day of the first month**. On the fifteenth day of that month the אֶתֶּן’s Festival of Unleavened Bread day begins. For seven days you must eat bread made without yeast. On the first day hold a sacred assembly and do no regular work. For seven days present a food offering to אֶתֶּן. And on the seventh day hold a sacred assembly and do no regular work.”*

אֱלֹהִים said, *“Let lights in the expanse of the sky be for separating the day from the night. They will be for signs and for seasons and for days and years.”* - Genesis 1:14

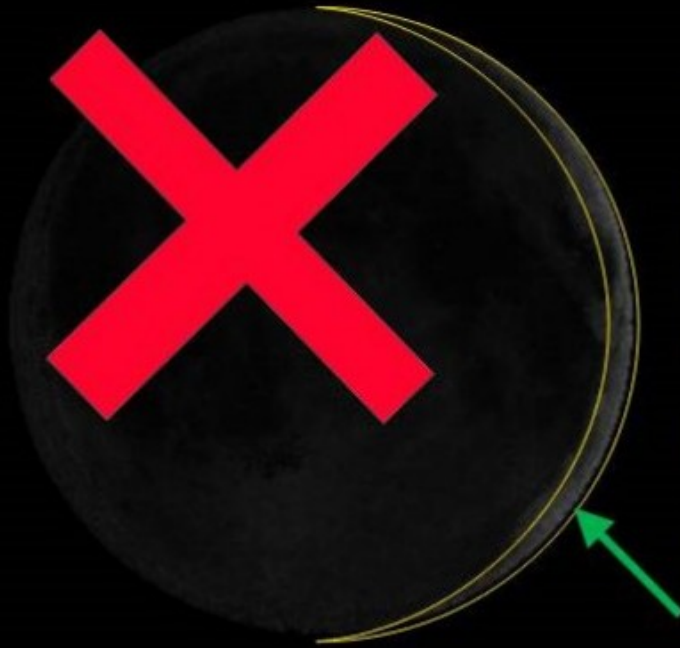

These lights are the sun, moon, and stars that gave us all the sign of the time to determine the seasons, from day and night. אֱלֹהִים made the moon for appointed times, the sun knows its going down as explains in Psalm 104:19.

“This month will mark the beginning of months for you; it is to be the first month of the year for you.” - Exodus 12:2

In Isaiah 66:23, we read: **“It shall come to pass, that from one new moon to another, and from one Sabbath to another, shall all flesh come to worship before אֱלֹהִים.”**

Question: When a baby is just born, is this baby age of one? No, of course not. Now, apply this understanding with the New Moon.

אֱלֹהִים said, "Let there be lights in the vaulted dome of heaven to separate day from night, and let them be as signs and for appointed times, and for days and years..."

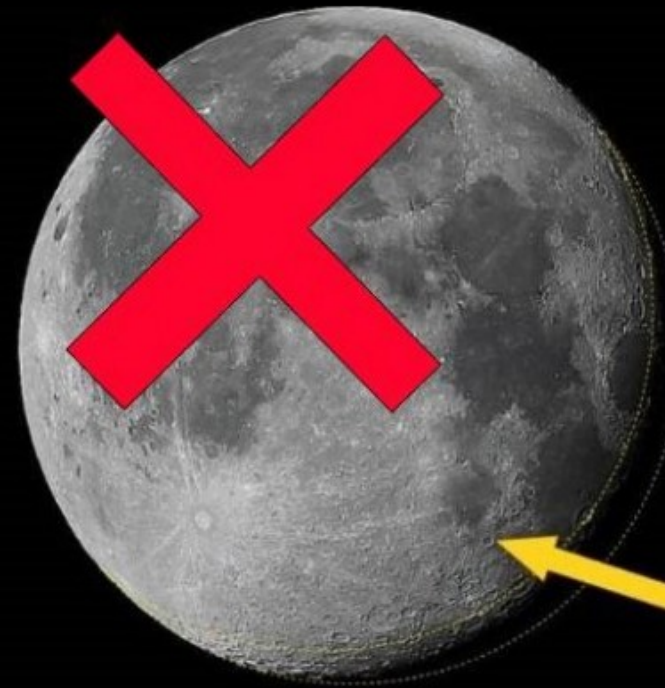

These lights are the sun, moon, and stars that gave us the sign of time to determine the appointed seasons, from day and night. אֱלֹהִים made the moon for appointed times of the month cycle (Psalm 104:19).

When the sun shine up in the sky, it's completely day-lights. When the sun is way below the horizon, passed the dusk of ray of evening light, it completely dark as night.

During the night, we don't see the round shape of the sun, but during the day, we can see the shape of the sun. The sign of day and night as well.

The same for the New Moon, it had to be complete 100% full shadow dark gray moon (normally it's hard for us to see it with our naked eyes). The same for the Full Moon, it had to be 100% full round moon light.

An appearing light at 7% waxing crescent moon is not a New Moon at all. It had to be completely zero %.

If those other who falsely practice the "New Moon" which give out some appearing light at the edge of the moon. A moon like 5% to 7% of waxing crescent on the moon, will end up seeing 98% to 96% waning gibbous moon on the Sacrifice of Peace Offering Day and on the first Day of the Festival of Ingathering week. After counting 14th/15th day from the first day of the New Moon (month).

This is not a 100% full moon.

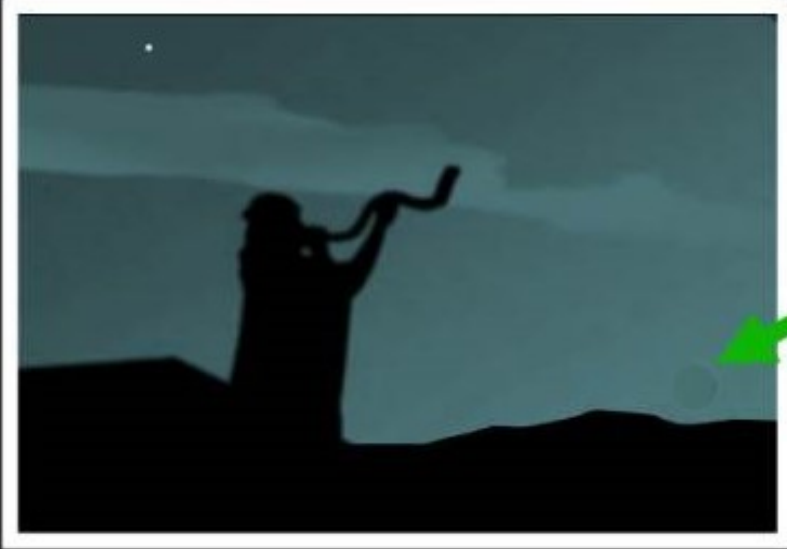

This is why the appointed first day New Moon cannot not give out some light on the edge of the moon. Just as a birth child isn't one full year old. Even from zero to one hour, from dawn to sunlight appearing is how the day begin. The same for the first day of the month.

“He made the moon for appointed times; the sun knows its going down.”
- Psalm 104:19

“Sound the ram’s horn at the New Moon, and when the moon is full, on the day of our festival;” - Psalm 81:3

“...and whenever burnt offerings were offered to **יהוה** on Shabbatot, New Moons and the feast of festivals. They were to serve regularly before **יהוה**, the Sovereign ONE, according to the proper number in the manner prescribed for them.” - 1st Chronicles 23:31

“And it will come to pass, that from one New Moon to another, and from one Shabbat to another, all flesh will come to bow down before Me,” says **יהוה**, Sovereign ONE.” - Isaiah 66:23

New Moon at ZERO %

Day of Gladness

&

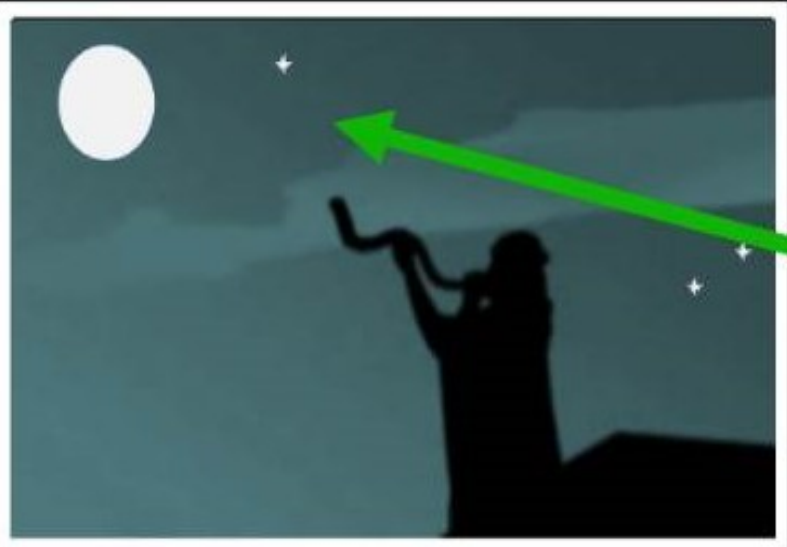

Day of Trumpets

1st Day of 1st moon (Month)

1st Day of 7th moon (Month)

Here is another reason why we must know this is true about the new moon day, as complete full dark shadow moon. Can't see the moon. According to what Psalm 81:3/4 said, full moon (as full light of the moon) always land on the Passover day and the first day of the festival of tabernacles. 100% New Moon & 100% Full Moon.

“Blow the shofar at the head of the moon, and when the moon is full, on the day of our festival.”

Full Moon at 100%

Sacrifice of Peace Offering Day

& Day of the Festival of Last Ingathering

We are to remind ourselves and to others that the sun, moon and stars are NOT the subject to worship or awe to but a sign of time for us to know how to track the time of the appointed time sanctify time of the day. People in the past and today still apart from $\aleph\aleph\aleph$'s way and have been worshiping the subject of the sun, stars and moon. This part of explained why we end up having the confusion along with the pagan calendar system today.

*“Moreover, I gave them also my Sabbaths to be a sign between me and them, that they might know that I am Sovereign ONE, that sanctify them.....
.....And sanctify my Sabbaths, and they shall be a sign between me and you, that ye may know that I am $\aleph\aleph\aleph$, your Sovereign ONE. -Ezekiel 20:12;20*

A photograph of two men standing in a vast, golden wheat field. The man on the left is wearing a blue and white plaid shirt, and the man on the right is wearing a red and black plaid shirt and a light-colored hat. They are both looking down at something in their hands, possibly examining the wheat. The field is filled with rows of wheat stretching into the distance under a bright, warm light.

You Need Farming Knowledge

In order to know when to sow and when it ripe before harvest time

In the scripture books (Old Testament), **יהוה** told Moses to tell the Yisraelites that He will give His chosen people “the land of **wheat** and **barley**, of vines and **fig** trees and **pomegranates**, a land of **olive oil** and honey; a land in which you will eat bread without scarcity, in which you will lack nothing; a land whose stones are iron and out of whose hills you can dig copper” (Deuteronomy 8:8-9; 24:21).

From these verses, we learn that there are five major crops that YAH would give to His chosen people, along with giving them the Promised Land. We should also aware that they also harvest grapes for food and wine as well. These six major crops are what mention to seed-time and harvest as well:

- **Barley**
- **Wheat**
- **Grapes**
- **Figs**
- **Pomegranates**
- **Olives**

According to Exodus 9:31, the first day of the first month (Aviv) of the year, is the beginning of the spring season. Begins with the first New Moon **after** the barley reaches the ripeness green young ears of barley stage in Israel. The green fresh, young ears of barley is also called Aviv in Hebrew translated.

Since we no longer have a temple to go and sacrifice to worship in Israel, we no longer require to be in Israel to do this sacrifice appointed time. Yet, we are still to remember the appointed day and worship the Sovereign ONE's name to honor HIM and give thank.

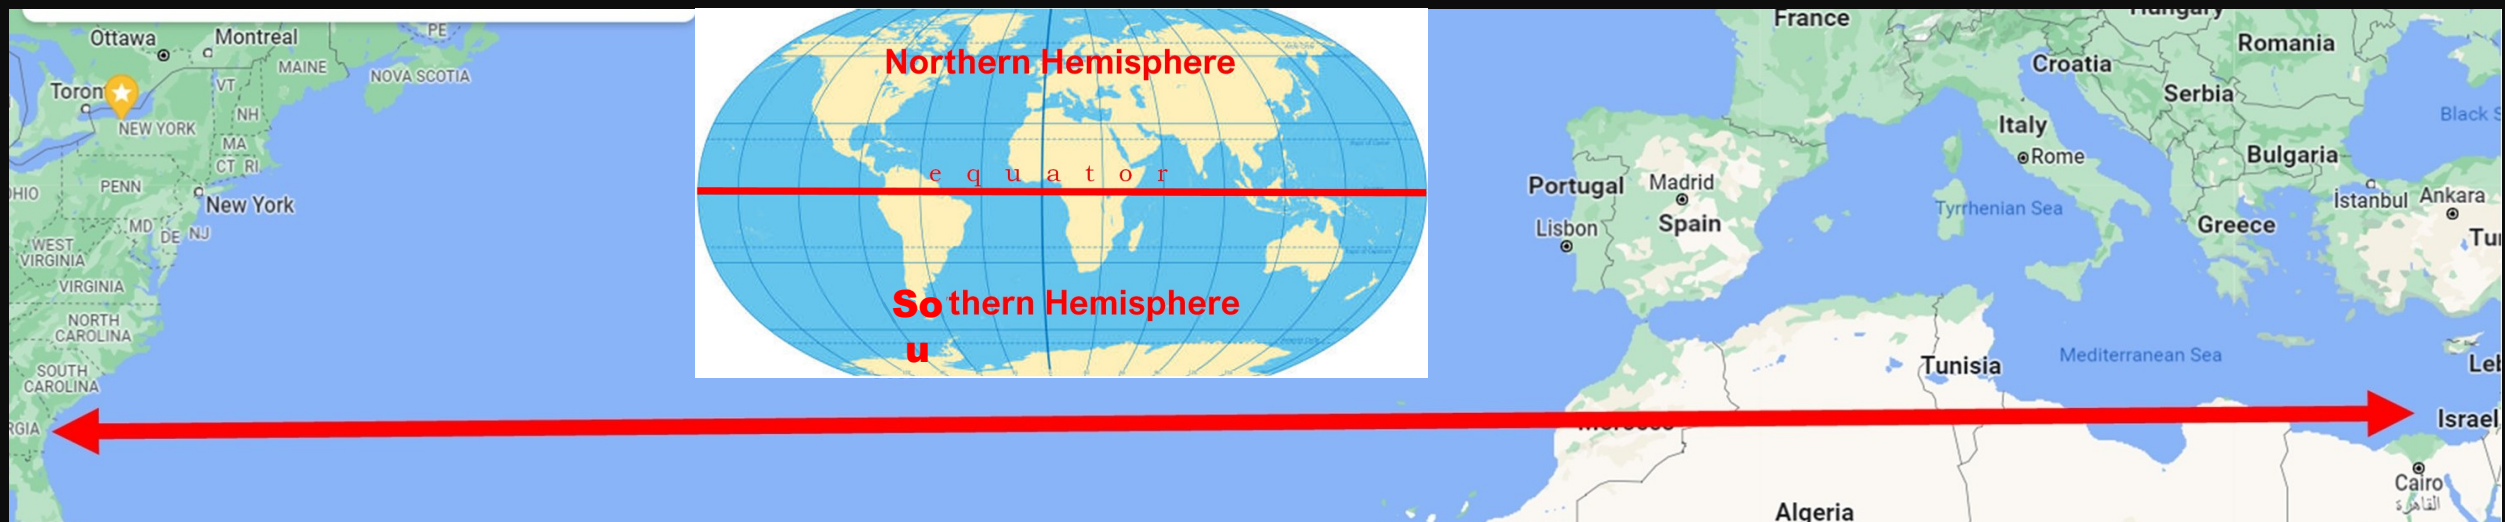

FYI:

*“You must not sacrifice the Peace Offering in any town the **אלהים** gives you, except in the place he will choose as a dwelling for his Name.” ~ Deuteronomy 16:5*

We cannot rely on wherever we are in Northern Hemisphere or Southern Hemisphere area to judge our back yard to see if our barley turn into green ripeness plant. We must have similar farming knowledge and seasons where the land of Jerusalem is. Because it all happened there.

The distance of the earth's equator to Jerusalem is about 2,196.87 mi (3,535.52 km) north of the equator. Jerusalem is in the northern hemisphere area. With this understanding distance from the equator like Jerusalem with the east coast of United States to the equator, to get the same weather and season time zone. The city of Albany, Georgia is about the same distance measured as Jerusalem to the equator. Albany, Georgia is about 2184 miles (3515 km) north of the equator.

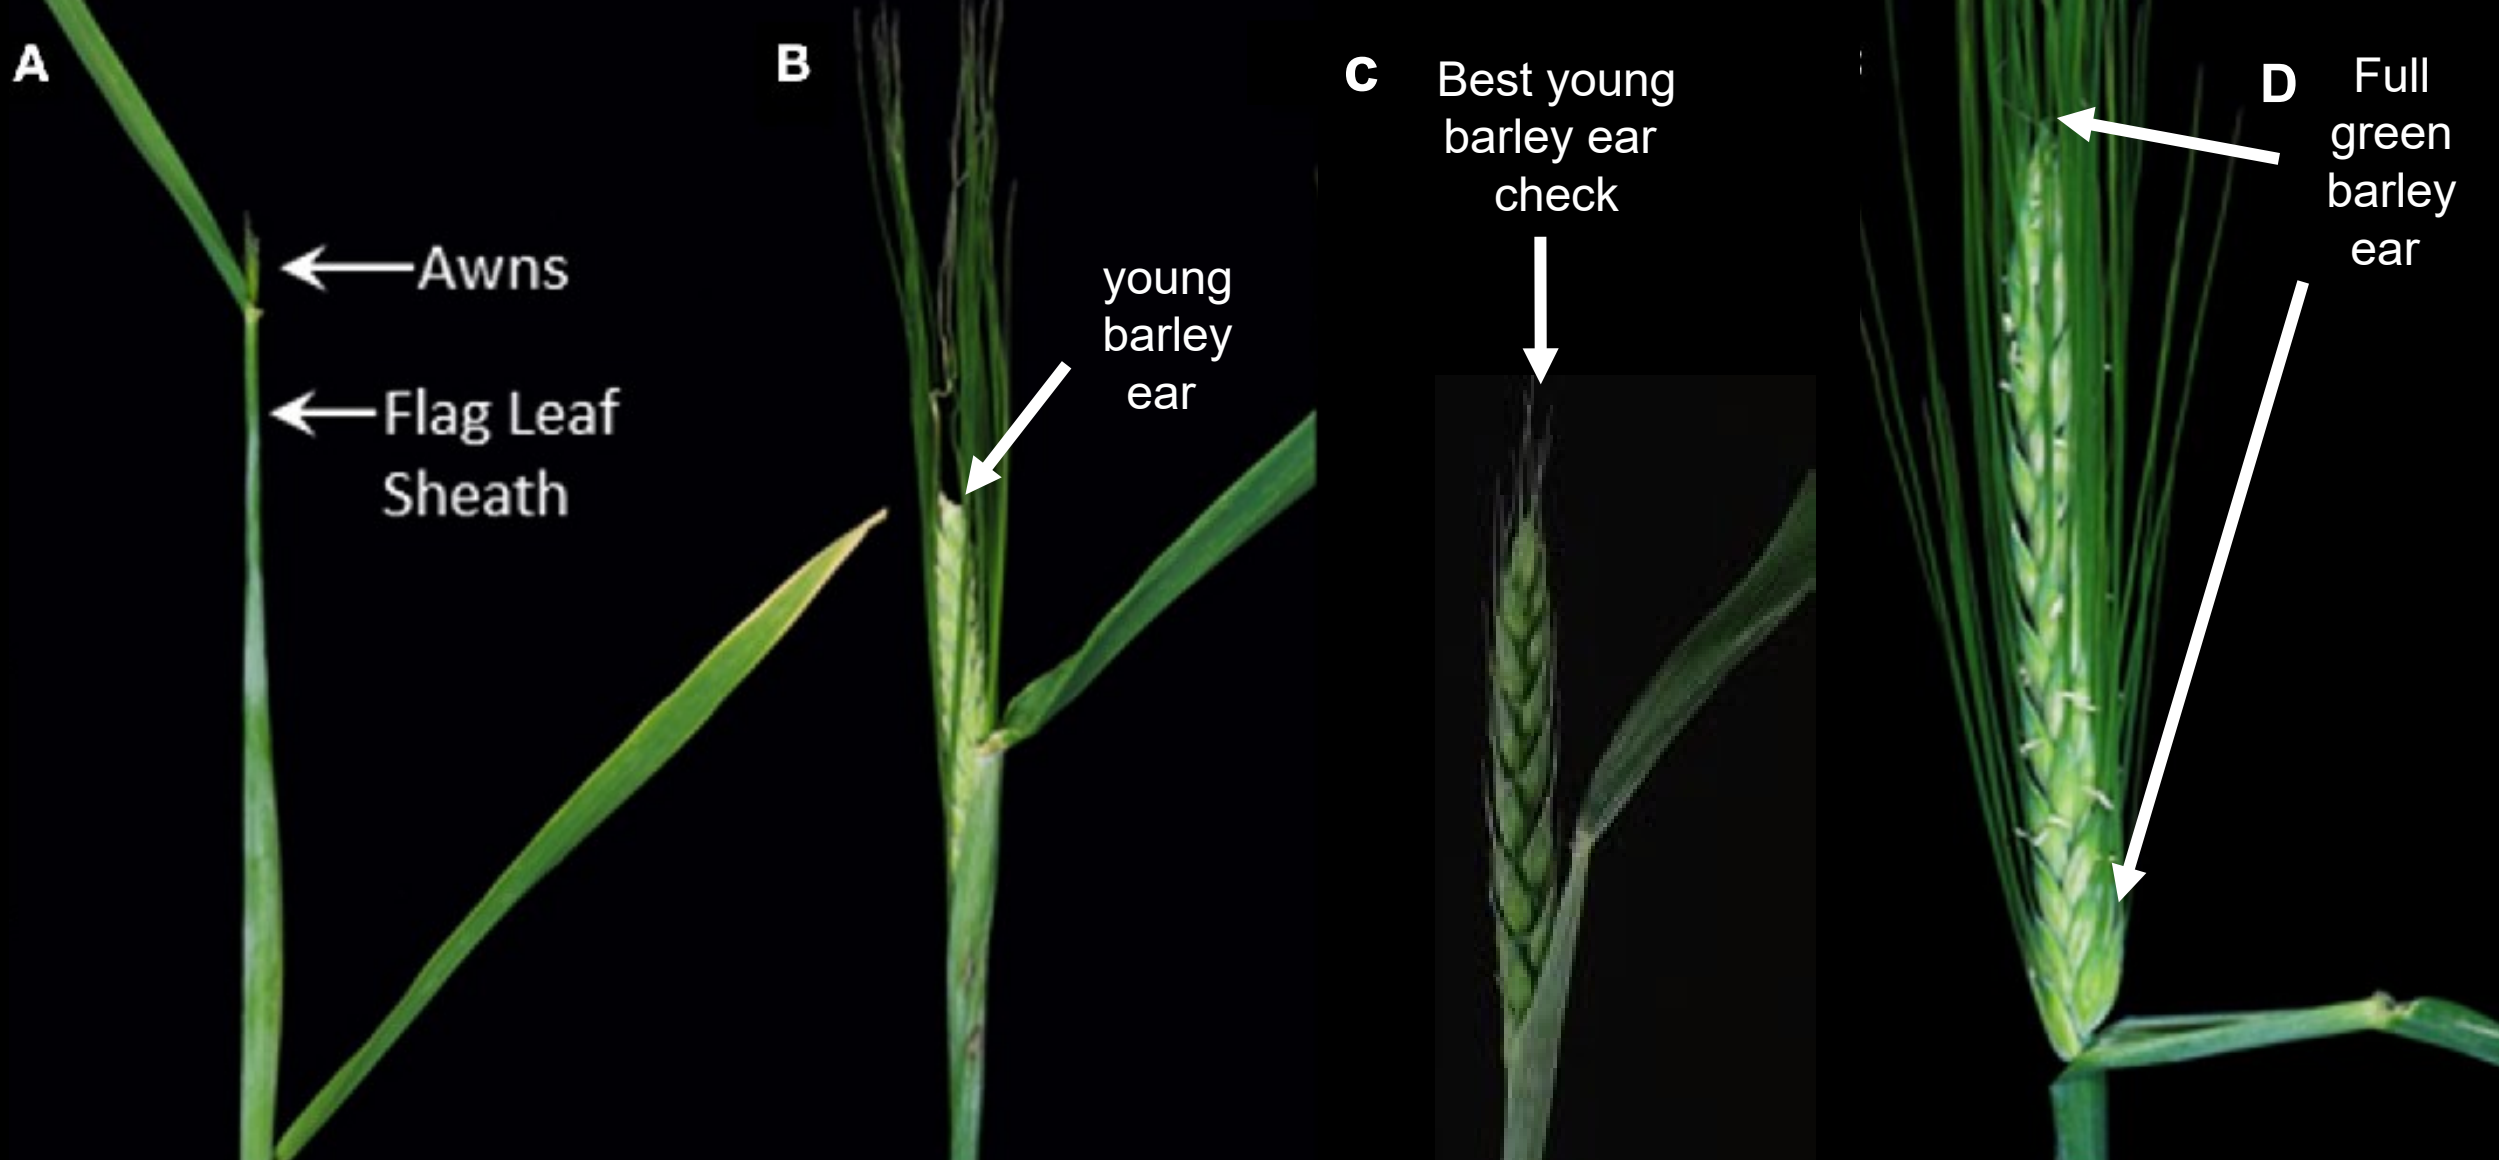

Keep in mind, state of Georgia normally don't have winter season then those who live in further northern states who have four seasons. Just as Jerusalem have different season time then those who live much further northern of the country.

South Georgia is the location and correct time zone where we the people who live any where on the east coast of United States, must look and check for the ripeness of the green young ears of barley plant. Whether it you or someone to ask a friends, family member or farmers in Georgia to check for the ripeness of the barley green plant.

The “the month of the Abib (or Aviv)” once again is a Hebrew translated for “green ears of grain” or “young ears of barley”

The developmental of green young ear barley stages: (A) At around Awn Tipping most barley plants pass through anthesis, while the spike is still enclosed in the flag leaf sheath. This is the actual “flowering time” stage of spring barley because fertilization happens now. (B) Spike heading half of spike emerged). (c) is not a full young green ear barley stage. (d) is a full green barley ear stage. Letter C and D is what able to notice out in the field to check for ABIB sign.

Notice on the chart, how state of Georgia can do the farming during the month of November, December, January and even February. Winter weather doesn't last for long in Georgia, and with average temperatures ranging from a low of 50 degrees F (10 C) to a high of 60 degrees F (15 C), it's not likely to keep you indoors. This part of explain why south of Georgia have two direct seasons. Farmers can do all the sowing and harvesting duty the whole full year. Differ from those farmers who live far north in east coast of United States.

Peak Season ■ Extended Season ■

FYI:

If you do not live in Georgia (or your time zone state) and do not have anyone to check for early green barley ear out in the field in that state or any other states in USA with the same distance of the earth's equator as Jerusalem, we can still rely on Jerusalem for the early green barley ear if we have someone there to check it for us.

Keep in mind, the time zone and day in Jerusalem is still way different from USA. One we know that people in Jerusalem witness the ABIB barley green ear; we are to track based on our standing time zone for the appointed time holiday.

Since we know there are three feast festival appointed time, Festival Unleavened Bread, Festival of Harvest, and Last-Festival of Ingathering Day. Each of those time are provided to preform the three time first-fruits offering. Example in the Old Testament First-Fruits were used for the harvest offering to **ꠘꠘꠘꠘ** (Ex. 23:16; Neh. 10:35). This included the grain (Ex. 23:16; 34:22), olive oil (Num. 18:12; Deut. 18:4), new wine (Num. 18:12; Deut. 18:4), honey (2nd Chron. 31:5), sheep wool (Deut. 18:4), fruit (Neh. 10:35), and even their herds and flocks (Deut. 15:19).

However, the word "**First-Fruits**" is something we need to better understand clearer.

"Honor **אֱלֹהֶיךָ** with your wealth, with the first-fruits of all your crops." —Proverbs 3:9

"The first of all first-fruits of every kind and every contribution of every kind, from all your contributions, shall be for the priests: you shall also give to the priest the first of your dough to cause a blessing to rest on your house." —Ezekiel 44:30

The portions of the "First-Fruits" does not only to means a "FRUITS" itself, it all about the "first-yield" of gathering, savings, and even donation. First-Fruits (Yield) of agricultural, livestock and/or all other industrial product. Such as honey, wine or milk are what can be brought to the Supreme Father.

"You will surely set aside a tenth of all the yield of your seed that comes from the field year by year. You are to eat the tithe of your grain, your new wine, your oil, and the firstborn of your herd and flock, before **אלהים**, your Supreme Father in the place He chooses to make His Name dwell, so that you may learn to fear **אלהים**, your Supreme Father always. Now suppose the way is too long for you, for you cannot carry the tithe because the place **אלהים** your Supreme Father chooses to set His Name is too far from you. When **אלהים**, your Supreme Father blesses you, then you are to exchange the tithe for silver, bind up the silver in your hand, and go to the place that **אלהים**, your Supreme Father chooses. You may spend the money for whatever your soul desires—cattle, sheep, wine, strong drink, or whatever your soul asks of you. Then you will eat there before **אלהים**, your Supreme Father and rejoice—you and your household. But you are not to neglect the Levite within your gates, for he has no portion or inheritance with you." — Deuteronomy 14:22-27

Once again, "First-Fruits" does not mean a fruits alone, it mean first yield—the first fruits—from the gathering harvest and/or saving of the year. We are to give this "First-Fruits" tithe to **יהוה**. The same teaching way the one tenth of tithe is giving to **יהוה** according to Leviticus 27:30.

Since we're no longer to do the sacrifice of the animals blood, burnt offering, and all other bring the grains offering to **יהוה**, which the priest do the service at the temple. We can still gathered and worship **יהוה** and used the ideal tithe yield for in-gathering appointed time. Since that one tenth still belong to **יהוה**. It is not for us to keep 100% what we have save for our own or pleasure.

Back about the blood marked on the doorpost. This was never about the lamb sacrifice for the forgiveness of sin. Since the blood isn't just the lamb's blood but also the goats' blood according to Exodus 12:5. The blood on the doorpost was all about the peace offering. אָנָּן spared HIS people from the spirit of death which HE skipped over their houses.

There are many false doctrine of man that already had been brainwash from our educated world for many generations ago. Whether it about the law, time, history and/or the judgment system. Their system and doctrine have a lot of error and conflict with **YHWH**'s teaching way and it is forbidden in the eye of **YHWH**.

I, Bro. Pouliot do not follow and/or practice the New Testament doctrine, because there are many error and conflict teachings in there. I do not believe in Jesus (or YahuSha), the Savior of the world etc...

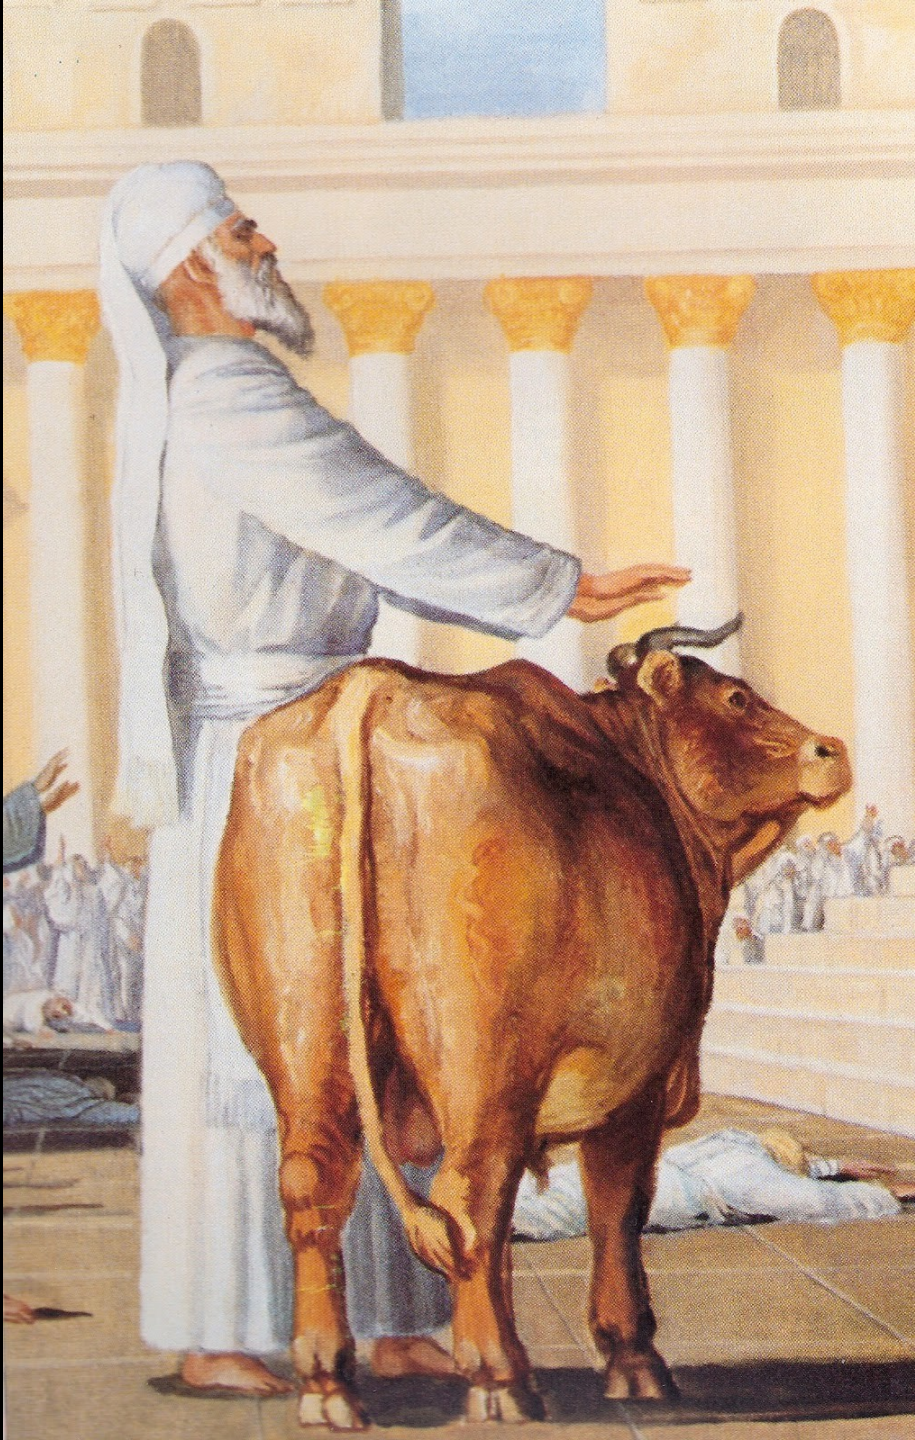

I only believe in **YHWH**, the Almighty Supreme Father who made the heaven and earth is the **ONLY SAVIOR**, Most-High, and the **KING** of all kings on earth.

We have a
problem
with the
New
Testament
doctrine,
Jesus
the Lamb
of God is
a
foolish
ideal.

If
Jesus
was a REAL
Coming
Messiah
shouldn't he be
calling
the **BULL**
of God
Instead
of LAMB?

What beast were the priest
to sacrifice the
SIN OFFERING ATONEMENT?

"And this is the thing that thou shalt do unto them to hallow them, to minister unto me in the priest's office: Take one young bullock, and two rams without blemish..."

...And thou shalt cause a **bullock** to be brought before the tabernacle of the congregation: and Aaron and his sons shall put their hands upon the head of the **bullock**. And thou shalt kill the **bullock** before Master **אֲרָאָר** by the door of the tabernacle of the congregation. And thou shalt take of the **blood of the bullock**, and put it upon the horns of the altar with thy finger, and pour all the blood beside the bottom of the altar..."

...And thou shalt offer every day a **bullock for a sin offering for atonement**: and thou shalt cleanse the altar, when thou hast made an **atonement** for it, and thou shalt anoint it, to sanctify it."

- Exodus 29:1; 10-16; 36

"And **אֱלֹהִים** spoken unto Moshe, saying, Speak unto the children of Yisrael, saying, If a soul shall sin through ignorance against any of the commandments of the Master **אֱלֹהִים** concerning things which ought not to be done, and shall do against any of them: If the priest that is anointed do sin according to the sin of the people; then let him bring for his sin, which he hath sinned, a young **bullock** without blemish unto the Master **אֱלֹהִים** for a sin offering. And he shall bring the **bullock** unto the door of the tabernacle of the congregation before the Master **אֱלֹהִים**; and shall lay his hand upon the **bullock's** head, and kill the **bullock** before the **אֱלֹהִים**. And the priest that is anointed shall take of the **bullock's blood** and bring it to the tabernacle of the congregation: And the priest shall dip his finger in the blood, and sprinkle of the blood seven times before **אֱלֹהִים** before the vail of the sanctuary." - Leviticus 4:1-6

"When a leader sins unintentionally and does what is forbidden in any of the commands of אָרָאָר his Sovereign ONE, when he realizes his guilt and the sin he has committed becomes known, he must bring as his offering a **male goat** without defect. He is to lay his hand on the **goat's** head and slaughter it at the place where the burnt offering is slaughtered before אָרָאָר. **It is a sin offering.** Then the priest shall take some of the blood of the sin offering with his finger and put it on the horns of the altar of burnt offering and pour out the rest of the blood at the base of the altar of burnt offering at the entrance to the tent of meeting.

He shall burn all the fat on the altar as he burned the fat of the fellowship offering. In **this way the priest will make atonement for the leader's sin, and he will be forgiven...**" - Leviticus 4:2-7; 19-20

"If any member of the community sins unintentionally and does what is forbidden in any of the **אִתְּכֶם**'s commands, when they realize their guilt and the **SIN** they have committed becomes known, they must bring as their offering for the sin they committed a **female goat** without defect. They are to lay their hand on the **head of the sin offering** and slaughter it at the place of the burnt offering..." - Leviticus 4:27-29

"If someone brings a lamb as their sin offering, they are to **bring a female** without defect. They are to lay their hand on its head and slaughter it **for a sin offering** at the place where the burnt offering is slaughtered..." - Leviticus 4:33

What beast were to
sacrifice for the
PEACE OFFERING
(PROTECTION)?

"An altar of earth thou shalt make unto me, and shalt sacrifice thereon thy burnt offerings, and thy peace offerings, thy sheep, and thine oxen: in all places where I record my name, I will come unto thee, and I will bless thee." - Exodus 20:24

"And if his oblation be a sacrifice of peace offering, if he offer it of the herd; whether it be a male or female, he shall offer it without blemish before the אֵלֹהִים. And he shall lay his hand upon the head of his offering and kill it at the door of the tabernacle of the congregation: and Aaron's sons the priests shall sprinkle the blood upon the altar round about. 3 And he shall offer of the sacrifice of the peace offering an offering made by fire unto the אֵלֹהִים ..."

Leviticus 3:1-3 (Whether it is a lamb or goats etc...)

GUILT/SIN OFFERING

WHY: Atonement for accidental sins.

WHERE: Bronze Altar

WHAT: Depends on who the offender is:

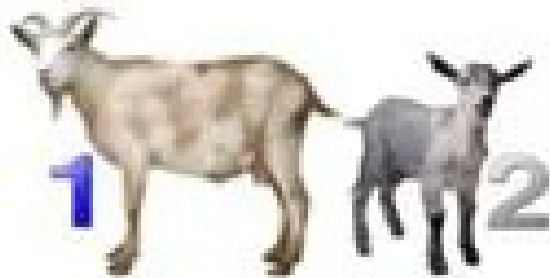

A priest or the
entire community:
bull

A ruler:
male goat

An individual could choose one of the following options:

1 female goat or
1 female lamb

2 pigeons or
doves

2 quarts of flour

Now you have tested
deeply one of the many
reasons why this so-called
Messiah Jesus is a fake.

What About

Leap Year?

Just Stick With 3937 Way, His Time System

We the people should not worry about 360, 365 or 383 days of year system made by man observing theory. Whether it from the Greek, Roman Chinese, or Jewish observing time system custom.

Follow the 7th day Shabbat cycle, 1st & 7th New Moon cycle... every year.

Calendar System of 5784 2023

There are always 12 seasons cycle of the year & 7th day weekly cycle (Shabbat)

Spring Season: 1st Day of 1st Month Equal 12 hours day/night

Fall Season: 1st Day of 7th Month Equal 12 hours day/night

Other new moon seasons are not the appointed time & summer/winter are not equal hours

APPOINTED TIMES

TIME

HOUR

FYI:

Based on the sign of the sun for daylight hour and how the sun rule the night as well. This is why the day is about 24 hours is called DAY ONE. During the spring and fall seasons, the day are about 12 hours daylight and about 12 hours night. While summer season have longer daylight hours & night have shorter hours. While the winter daylight hours is shorter, and the night is longer hours.

Second Lesson:

Dawn hour is the beginning of the 24 daylight hours. We are not to get confused with the New Moon setting at near sundown evening as the beginning of the new day. New day is always the time we wake up as the dawn of the sun light up.

- Once again, we are not to get confused with the setting of the New Moon at near sundown evening for the beginning of the 24-hours day one. NO NO...
- Or about the Yom Kippur—the "day" of atonement— from evening to evening. NO NO...
- Or the pattern established during creation in Genesis, from darkness before light evening to morning day one (Genesis 1:2-3). NO NO...
- Or the gates were being shut before evening (dark) to prevent the Sabbath from having people defiled via the merchants' buying and selling. All these ideal doctrine are totally mix-up twit wrong. NO NO...

The reason the Sacrifice of Peace Offering instruction was at sundown evening was because of how the New Moon always at the setting near sundown horizon. It is a servicing time to perform the Sacrifice of Peace Offering at that hour. This isn't the beginning of the 24 hours day, since the New Moon is not the sun that rule the 24 hours "DAY" anyway.

Other reason to understand why DAWN of the MORNING is the beginning of the 24 hours DAY is explaining in Exodus 16:15-26. Verse 19-21 is about gathering the MANNA, Yisraelites were to gathered it morning by morning. Verse 23 said:

Tomorrow is a Shabbat rest, a holy Shabbat to **שבת**. Bake whatever you would bake, and boil what you would boil. Store up for yourselves everything that remains, to be kept until the morning.”

Just as other passage scripture instructed
Yisraelites to eat ALL the (leftover) Sacrifice of
Peace Offering MEAT before the morning hour?
This is because morning is another day.

The Day of Atonement at the other hand, have nothing to do with the New Moon setting at sundown evening (DUSK). If we read the passage scripture very carefully in Leviticus 23:27-32, hopefully reader will notice. Notice how the 9th day mentioned about the "EVENING" while the 10th day of the 7th month did not.....why is that? It is because the 9th day already took care of the first evening timing of the hour to the next day (10th) last evening hour. From 9th day (which is not the Day of Atonement) evening to the next day (10th) evening is the Day of Atonement.

Once again.... Why is that? It is because we want us to afflict our souls: to fast before the next day, which is the Day of Atonement. No food are to eat before sundown (dusk) of the 9th day, in order to have our stomach empty for the following next day. Until the end of evening of the 10th day, we than are allowed to eat. Similar like a surgeon will instruct us to avoid food and water for up to 12 hours before surgery. Fasting before surgery helps prevent complications.

Let go back to Genesis chapter one, verse five where it said, *"There came to be evening and there came to be morning, the first day"*.

In this passage verse, we must read it carefully and understand how this ancient understanding set of mind explained to us. We can NOT automatically take as conclusion that the "EVENING" is, therefore, the beginning of the day, just because it mentioned first in the scripture. Here what it should of been clearly understood.

From the end of the evening hours to the hour before the dawn/sunrise morning hours, this is the last 12 hours of the night. Because the first 12 hours daylight was during the time ~~3937~~ was creating the world from the morning hour to the end of the evening hour. Then there was evening end and there was coming morning. That what make 12 plus 12 = 24 hours. Just like we work during the daylight hour, but the night hour we do nothing but sleeping in bed.

The next part to talk about is the gates. The gates of Jerusalem had to shut before evening (it was getting dark). Because ancient Yisraelites know the best timing way to get ready for the next following day. That next following day was the Sabbatical appointed time, whether it the 7th day Sabbath, Sacrifice of Peace Offering Day, Day of Trumpets, or Festival of Harvest Day. People during that hour before it was getting dark, were completely their business work for the day. They also wanted to get everything set and ready for the following next day. So that they can rest and sleep for the rest of the night.

This way, they won't have to worry about the rest of the night. This is why the gate were kept shut also during the sabbatical hour of the day. To prevent from any kind of people to enter, so they won't be able to merchants' business buying and selling people in Jerusalem (Nehemiah 13:19). This is how people misunderstood this part, when they think the end of evening sundown dusk is the beginning of Shabbat rest. Because they thought the beginning of rest start at night before they go to sleep.

If you begin to believe and want to follow and join **יְהוָה's appointed day of the Sacrifice of Peace Offering...**

You must be fully physical transform from non-foreign person to Yisraelites, show your willingness to follow and obey **יְהוָה's way as every Yisraelites did. To have your circumcision's name on the covenant of **יְהוָה** before eating the Sacrifice of Peace Offering meal.**

Get ready.... By removing and cleaning out all of the leavened bread leftover before the 14th day of the 1st Month (Abib or AVIV) of the year.

Remove all dough with yeast from your houses, UNLEAVENED BREAD is what you can eat for seven day.
